

# Sales Engineer <sup>360°</sup>

**Salary:** £35k starting/base. OTE of £70,000 on successful sales targets

**Hours:** 40 hours/week

**Start date:** June 2022

**80%** of information is processed visually. Our brains rely on our eyes so much that vision accounts for **two-thirds** of the electrical activity of the brain.

Here at MOONHUB, we are harnessing that energy to **transform learning** at scale creating off-the-shelf and bespoke **virtual reality training programmes** aimed at **empowering** our trainees and **streamlining** solutions for our partners.
